CGA Championship Regulations

These regulations apply to CGA championships and supplement any rules or policies stated on an official CGA championship entry form, Notice to Players, or championship player information sheet.

[USGA Rules of Golf](#) effective January 2023 govern play.

Assumption of Risk and Release from Liability

All golfers are voluntary participants at CGA/TYGA events. Your submittal of any application/entry form is conditioned on the fact that you agree and acknowledge that the CGA/TYGA is not liable, in any way, for any injuries or damages of any kind that you may suffer, or be exposed to, while participating, or being present, at a CGA/TYGA event. You agree that the acceptance of your entry for a CGA/TYGA event is sufficient consideration for your agreement that the CGA/TYGA has no liability or responsibility, of any kind, for any damages or injuries that you may incur while involved, participating, or present, at a CGA event.

Automotive Transportation

The CGA may require the use of automotive transportation at a championship or qualifying event. Such a requirement is stated on the championship entry form, letter to competitors, and/or local rules sheet.

Automotive transportation by contestants is typically prohibited at junior events and other championships as specified in the championship entry form, letter to competitors, and/or local rules sheet.

Caddies and Spectator Carts

Caddies will ***NOT*** be permitted in any CGA/TYGA championships, qualifiers, or one-day tournaments. Model Local Rule H-1.1 will be in effect in all competitions. The caddie restriction does not apply to USGA qualifying and TYGA Tots events (9-hole events ages 6-12).

SPECTATOR CART POLICY (non-junior championships): Spectators are not allowed to ride in a player's golf cart at any time. Spectator carts are not guaranteed and are subject to the following guidelines.

The CGA will grant a person with a bona fide physical handicap a spectator cart if the following conditions are met: 1. Host club has a golf cart available; 2. The handicapped person pays the host club the appropriate cart fee; 3. The handicapped person presents to the CGA staff or CGA

representative a handicap card issued by a government agency.

NOTE: There will be times when no spectator carts are available at host clubs. The CGA reserves the right to limit the availability of spectator carts to guarantee that competitors are afforded a golf cart.

Championships - Rules and Regulations

The Carolinas Golf Association Executive Committee is responsible for rules and regulations that govern CGA championships. CGA staff or committee members who attend a CGA championship are responsible to the Executive Committee for enforcing regulations. United States Golf Association (USGA) Rules of Golf and local rules govern play.

One member of each team must be a member of a CGA member club or a member of the golf professional staff of a CGA member club.

Code of Conduct

The CGA expects all competitors to adhere to the “Standards of Player Conduct”, Rule 1.2 in the USGA Rules of Golf. Additionally, the CGA requires all players to adhere to the following guidelines known as the [CGA Code of Conduct](#) Policy.

Course Preparations

The CGA staff, at the bidding of the championship committee, is responsible for marking a golf course and determining tee and hole locations. Special rules, such as dropping zones, are listed on the Notice to Players.

Defending Champions

A defending champion **must** complete online entry for the next year’s championship and fulfill all eligibility and deadline requirements. See Entry Requirements and Deadlines for further clarification.

Discontinuing Play

Competitors are permitted to discontinue play in accordance with Rule 5.7 (USGA Rules of Golf). The championship committee and the host club superintendent or club committee also may discontinue play.

Any interruption of play is noted by a siren blast. When play is discontinued, a competitor should mark and lift his/her ball.

When play is suspended for a dangerous situation, a competitor who is between the play of two holes may not resume play until the committee has ordered a resumption of play. A competitor, in any event, **must** discontinue play immediately upon announcement of a dangerous situation.

If conditions become so severe that play cannot be resumed the same day, the championship

committee may suspend, postpone or cancel the round. When play is suspended, play will be resumed from where it was stopped, and all posted scores stand. When play is postponed, returned scores **may** be canceled at the discretion of the committee. A postponed round is rescheduled immediately for the following day if possible.

Dress Code

The CGA defers to the dress code of a host club but also enforces its own code.

Required Dress

- Women's fashion shirts without a collar must have sleeves
- Women's shirts must not rise above the belt line at any time during the golf swing

- Women's shorts, skorts and skirts must be an appropriate length. Shorts under skorts should not be seen before, during or after the golf swing.

Prohibited Dress

- Denim shorts, short-shorts, cut-off shorts, gym shorts, jeans, sweat pants, yoga pants, compression pants*
- Cargo shorts or cargo pants

*Compression and yoga pants may be worn if covered by shorts, skorts or skirts

Proper attire is required at all times at the host golf club, including cookouts, lunches and dinners. Should a club have a stricter dress code, its policy will take precedence.

Questionable attire will be reviewed by the CGA Staff on site. A competitor who does not conform to the championship dress code will be asked to change attire prior to his/her starting time. The penalty for non-compliance is disqualification.

Entrants who misrepresent their playing proficiency are subject to disqualification at any time and to rejection from future CGA events.

The CGA reserves the right to reject an entry if the entrant was a “No Card” (NC) or “Did Not Show/Start” (DNS) at that event the previous year.

Entry Requirements and Deadlines

Entry opening and closing deadlines are strictly observed. Entries will not be accepted before or after entry opening and entry deadlines.

Every competitor must complete an online application at www.carolinagolf.org. Mail/paper entry forms are not accepted. No entry is accepted prior to a championship’s opening date/time. Entries are accepted until 11:59 p.m. of the closing date listed on the form.

Fax, mail, e-mail, telephone, late or incomplete entry forms are not accepted.

Refer to each championship terms of competition for registration instructions. Visa, MasterCard and Discover payments are accepted for online applications only. CGA does not accept American Express.

While the CGA is pleased to provide online championship applications, we stress that the Internet is an unstable environment. The CGA cannot and does not guarantee that this site or the ability to apply on-line will be available seven days a week, twenty-four hours a day. The CGA does not make any guarantee that an entry submitted pursuant to this site will be received by the CGA or received in a timely fashion. Just as with registration by mail, the responsibility for ensuring that an application is received by the CGA by no later than the deadline set forth on the particular entry form, and the risk of delay and/or error in transmission lies solely with the applicant. The CGA shall have no liability with respect to any such delay and/or error and the consequences therefrom, including rejection of an entry. Entries will be automatically rejected by the CGA if received at the CGA after the date and time set forth on the relevant entry form. Please be advised that players who are minors upon the date of submission of an entry form in the state in which they reside (e.g. North Carolina, under the age of 18) must have parental consent to apply via the Internet.

Entry into a CGA championship is subject to approval by the CGA Championship Committee. By

registering for a tournament, each entrant agrees to abide by all CGA and club regulations.

Note: If necessary, CGA will file a blank entry form for a defending champion and for host club exemption(s) prior to the closing date. Defending champion should notify CGA at least seven days prior to the championship of their entry status. Host club should advise the CGA at least seven days prior to the championship of the selected player. Should the host club's exemption selection withdraw prior to the championship, the host club may substitute another player prior to that player's scheduled championship tee time with approval from the CGA.

Entry Fees

The entry fee and entry fee schedule for each championship is listed on that championship's official entry form.

Field Size

Field sizes are determined by the CGA and are listed on the official entry form.

Exemption from Qualifying Events

In championships which require sectional qualifying events, exemption categories are listed on the championship entry form. All other competitors must qualify.

Medical Deferment for Exempt Players: Players may defer their exemption into an event for one year if they are unable to compete due to a verifiable injury/medical condition. Players must request deferment of exemption the year they are exempt and do so before the entry window closes for that year's championship in which they are exempt. Once a player starts a competition (makes a stroke in competition round), that event exemption may not be deferred for any reason.

Gambling

The CGA discourages any form of gambling in connection with any CGA event. Incidents of wagering or gambling considered flagrant or excessive by the committee may result in disqualification of those involved and rejection of entry in subsequent CGA championships.

Gender Policy

In championships in which a specific gender is required, the player must identify himself or herself during the entry process as that particular gender. In the event that a player has had gender reassignment surgery at any point after puberty, that player must comply with the eligibility

requirements below. Gender reassignment prior to puberty is not subject to these requirements. The following requirements set forth the eligibility for participation of transgender players in CGA Championships:

Those who transition from male to female are eligible to compete in the female category under the following conditions:

(i) The player has declared that her gender identity is female. Such declaration cannot be changed, for sporting purposes, for a minimum of four (4) years;

(ii) The player must have undergone gender reassignment surgery (*i.e.*, a gonadectomy) prior to the entry deadline for that specific Championship; and

(iii) The player must have undergone hormonal therapy and maintained testosterone levels appropriate for the assigned sex in a verifiable manner and for a sufficient length of time to minimize gender-related advantages in sport competitions, as determined by the USGA in consultation with its medical consultant(s).

Failure to provide proof of gender when gender has been reassigned may result in disqualification from the Championship.

Local Rules & Terms of the Competition

The CGA Championship Committee is responsible for preparing and distributing the "Notice to Players," including all local rules. These are distributed at the starting tees and are available at the starter's table.

Unless otherwise noted, the following local rules are in effect at CGA championships: [CGA Local Rules & Terms of Competition](#).

Official Starting Time

Tee Times - The clock at the tee (1st or 10th) where the player begins his/her round is the official time of starting. Starters will not call players in advance of their starting time. Players should report to the tee at least five minutes prior to their starting time.

Shotgun or Simultaneous Start - A player is responsible for being at the assigned tee promptly to begin play on time. The assigned starting time for shotgun events is when a) a horn or siren is sounded, b) if no horn or siren is used, when the group can play without interference or c) if the player is in the second group to start on an assigned hole, when that group can play without interference.

Pace of Play

The CGA enforces pace of play guidelines in championships & qualifiers. Following the lead of the USGA, the CGA has developed a pace of play policy, based on Rule 5.6, that is fair to every competitor.

Rule 5.6 states, in part: "The player shall play without unreasonable delay in accordance with any pace of play guidelines which may be laid down by The Committee," and thereafter prescribes penalties for slow play. In order to prevent any such penalty, we suggest that you review carefully the following guidelines:

Pace of play regulations are stated on the championship local rules sheet. Specific pace of play guidelines are denoted on the player's scorecard.

In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Definition of "Out of Position": The first group (each side; both morning and afternoon "waves") to start will be considered out of position if, at any time during the round, the group is behind the pace of play guidelines as detailed on the player's scorecard and/or the addendum to the rules of play sheet.

Any subsequent group will be considered out of position if it is (a) behind the pace of play guidelines and (b) reaches a par-3 hole that is clear of all play and all players in the preceding group have played from the next teeing ground or reaches a par-4 or par-5 hole and all players have not made a stroke from the teeing ground before the hole is open and free of play. Both (a) and (b) must apply for a group to be out of position.

Group Out of Position and Timing: If a group (stroke play) or match (match play) is out of position, a CGA Official will monitor it. A group or match will be notified when they are being timed. Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines.

*The timing of a player's stroke will begin when they have had **reasonable** opportunity to reach their ball, it is their turn to play, and they can play without interference or distraction.*

Except on the putting green, if a player has reached their ball, it is their turn to play, and there are no distractions, timing will begin after they have had **reasonable** time to select their club. Time spent walking backward or forward for determining yardages will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a **reasonable** amount of time to lift, clean, and replace their ball, repair ball marks and other damage and remove loose impediments on the line of play. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Pace of Play Penalties: The following are the penalties, in sequence, for any player in a group/match being timed who takes more than **40 seconds** to play a stroke after timing of the player's stroke begins. Any player that is assessed a bad time will be notified as soon as practicable of the warning or penalty. A warning is any notice given to a competitor regarding pace of play and having a bad time over 40 seconds:

- **One bad time:** Warning
- **A second bad time:** One-stroke penalty in stroke play or match play
- **A third bad time:** General Penalty
- **A fourth bad time:** Disqualification

NOTE: If a group in question regains its proper position but later requires additional monitoring or timing during that round, any previous bad times will carry over and the penalty structure will remain intact.

Penalties are applied individually, but more than one competitor in a group may be penalized. Bad times will carry over throughout the entire competition when more than one round.

Rulings or Other Incidents: If a ruling or some other legitimate delay occurs which causes the group in question to lose its position, that group is expected to regain its position within a reasonable time.

Pairings and Starting Times

The CGA is responsible for making pairings and starting times, for making these available to competitors and for conducting championships.

Preferences for starting times and pairings are **not** granted. Pairings are made to facilitate efficient completion of a championship. Tee times and pairings can not be altered after the close of entries.

Pairings and starting times are posted at each host club prior to the last practice-round day, are available at the CGA office and on the CGA website.

Competitors are responsible for ascertaining starting times and should be ready to play at the assigned tee at least five minutes prior to the starting time.

Practice Rounds

Practice rounds before a championship generally are scheduled the day(s) before the event at the discretion of the host club. Competitors generally are granted one complimentary practice round before a championship at a pre-determined rate. The use of golf carts may be required.

Multiple shots are not permitted during a practice round except from the teeing ground and on a

putting green, provided play is not delayed.

Prizes

All prizes are determined by the CGA Championship Committee or by the duly-appointed CGA representative.

Prizes in CGA amateur championships comply with USGA Rules of Amateur Status (see USGA Rules of Golf). Prize money for professional events or divisions is determined by field size. Prizes in junior championships comply with state high school athletic and otherwise applicable regulations.

In a championship featuring a permanent trophy, the trophy stays permanently on display at Carolinas Golf House.

The CGA nor the host club is not responsible for any unclaimed or unredeemed merchandise certificates after a tournament play date. It is the player's responsibility to claim or redeem a certificate or golf shop credit prior to leaving a tournament site. The CGA will not replace any lost or unclaimed merchandise certificates/gift cards after a tournament is played.

High School or collegiate players should check with their institution compliance department regarding High School or NCAA regulations relating to accepting prizes or merchandise.

Qualifying Events

Qualifying events are held for CGA championships which attract far more entries than can be accommodated in the championship starting field.

Sectional qualifying is 18 holes of stroke play consisting of two nine-hole rounds. The number of qualifiers' places at each site is determined by the CGA once pairings are made, based on the size of the field. **Qualifying site maoves after the close of entries can only be changed if a spot opens up in another qualifying site.**

If a qualifying site is full at the time of registration, a player may opt to be placed on that site's alternate waitlist or register at another qualifying site. A player may only play at one qualifying site. Waitlist alternates and on-site alternates are ranked according to date/time an entry is received and processed.

*Note: Qualifying sites may be cancelled due to a lack of participation.

Rain-Out Policy: In the event a qualifying round begins, gets suspended and does not resume, and all players complete a 9 hole round, qualifiers will be selected based on the 9 hole round scores. If players start on 1 and 10 tee, the qualifying spots will be allocated among the players playing each side based on number of players. (e.g. if a qualifying site has 8 spots available, and 9 holes are completed and play is subsequently suspended; the players off 1 (half total field) get 4 spots and

the players off 10 (half total field) get 4 spots.

In the event a qualifying round does not start (or does not complete 9 holes) and cannot be rescheduled, the CGA reserves the right to choose competitors for the championship as follows:

1. From eligible competitors who played in the specific championship proper, the previous year event was contested.
2. From eligible competitors who successfully qualified for USGA Championships during the previous 24 months.
3. *From eligible competitors in ranking order on the respective Carolinas player rankings as of the last update.
4. From the remaining competitors with the lowest handicap indexes up to the total number of available qualifying spots determined in advance by the Committee.
5. Respective Player Rankings: Men=Carolinas Men's Rankings; Senior Men=Carolinas Senior Men's Rankings; Super Senior Men=Carolinas Super Senior Men's Rankings; NC Junior Boys=NC Junior Boys Rankings; SC Junior Boys=SCGA Junior Boys Rankings; Carolinas Junior Boys=Carolinas Junior Boys Rankings; Women=Carolinas Women's Rankings; Senior Women=Carolinas Seniro Women's Rankings; NC Junior Girls=NC Junior Girls Rankings; Carolinas Junior Girls=Carolinas Junior Girls Rankings.

Note: If there are more eligible players than qualifying spots available for any of the above eligibility criteria, then a "blind draw" will be used to determine those players advancing to the championship proper. Competitors who have "Withdrawn" from the qualifier are not eligible under this policy. The CGA reserves the right to adjust the number of qualifying spots.

Refund Policy

Entry fee refund policy schedule:

Any withdrawal within three (3) days before the first day of the tournament will not receive a refund. All other withdrawals are subject to a \$30 admin fee. Refer to the table below for the deadline to withdraw with a refund less the admin fee.

<u>Deadline for Refund (less admin fee) at 11:59 pm</u>	<u>First Day of Tournament</u>

Alternates/Waitlist: Players are not charged an entry fee until they gain entry into a qualifying/tournament site.

*Note: Refund policy and schedule applies to each entry fee stage of a championship with qualifiers.

Players/teams who withdraw from a championship or qualifier may re-enter the event prior to the closing date as long as space is available in the tournament field and pay the full entry fee (unless a refund of the original entry fee has not yet been processed). If the championship or qualifier field is full, the player/team will be placed at the end of the alternate wait list.

Players/teams who withdraw from a championship or qualifier after the closing date may “Un-withdraw” as long as space is available in the tournament field and pay the full entry fee (unless a refund of the original entry fee has not yet been processed). If the championship or qualifier field is full, the player/team will be placed at the end of the alternate wait list.

Players/teams in multi-day a tournament/championship that have a round of play cancelled will not be issued a refund for that round.

Refunds are not made for any reason after the qualifying round for qualifying competitors (in championships that have qualifying events).

Credit card registration refunds are credited to the account from which payment was made.

Score Cards

Each competitor is responsible for the accuracy of the score recorded for each hole but not for the addition of those scores.

In CGA competitions, a scorecard is deemed returned to the committee when the player has exited the scoring area. No alteration may be made on a scorecard by a competitor after it is returned to the committee. Competitors are encouraged to remain in the scoreboard area until their scores are verified and posted.

A competitor who fails to return a signed scorecard within 20 minutes of completion of the round is deemed to have failed to return a score for the round and may be listed on the scoreboard as a "Disqualification".

Competitors that fail to return a scorecard without informing the CGA are denoted as a "No Card" (NC).

In match play championships, scorecards are not required. The winner of a match must report the result of that match to a CGA official immediately after completion of the match. Competitors are urged to check the scoreboard to see that match play results are posted properly and to determine the starting time of the next scheduled round.

The CGA reserves the right to reject an entry if the entrant was a "No Card" (NC) or "Did Not Show/Start" (DNS) the previous year.

Television, Radio, Motion Picture, Video and Photographic Rights

Competitors in CGA championships grant and assign to the CGA, without limitation, their individual television, radio, motion picture, video, photographic and all other similar rights with respect to participating in CGA events.

Competitors also agree to refrain from any action which might interfere with the CGA's ownership of the rights granted and assigned to the CGA. All such rights are the property of and expressly reserved for, by and to the CGA. Any use thereof, without the expressed and written consent of the CGA, is forbidden.

Ties and Playoffs

Resolution of ties and playoff information are listed on CGA Notice to Players and Local Rules sheets. As a general rule, these include:

- A tie for first place in a stroke play championship is resolved by a hole-by-hole playoff beginning at a hole to be determined by the Committee. If a playoff involves more than two competitors, those other than the champion are deemed to tie for second place.

- In championships at which trophies are awarded to more than the champion, ties will be resolved on the scorecard using the USGA recommended method.
- In a match play championship, the round will be extended until a winner is determined.
- In a match play championship, ties for final match play **spots** will begin at a hole to be determined by the Committee when such a situation is determined.
- In a match play championship, ties for match play **seeds** will be blind drawn to determine seeding.
- Competitors or teams finishing at the same level in a match play championship (such as semifinalists) receive identical prizes.

One-Day Tournament Program including One-Day Individual, One-Day Four-Ball, Senior Four-Ball One-Day, Two-Day Tournaments, and Ladies Play Day Tournaments

Tournament Regulations

[USGA Rules of Golf](#) effective January 2023 govern play.

CGA championship regulations apply to all one-day tournaments except as listed below.

Assumption of Risk and Release from Liability

All golfers are voluntary participants at CGA/TYGA events. Your submittal of any application/entry form is conditioned on the fact that you agree and acknowledge that the CGA/TYGA is not liable, in any way, for any injuries or damages of any kind that you may suffer, or be exposed to, while participating, or being present, at a CGA/TYGA event. You agree that the acceptance of your entry for a CGA/TYGA event is sufficient consideration for your agreement that the CGA/TYGA has no liability or responsibility, of any kind, for any damages or injuries that you may incur while involved, participating, or present, at a CGA event.

Caddies & Golf Carts

A player is prohibited from using a caddie during the round (Rule 10.3a is modified in this way: A player must NOT have a caddie during the round). Model Local Rule H-1.

Use of a golf cart is strongly encouraged and in some cases required at some CGA one-day, one-day four-ball, senior four-ball one-day and two-day tournaments. Cart and range fees are included in tournament entry fees.

Code of Conduct

The CGA expects all competitors to adhere to the “Standards of Player Conduct”, Rule 1.2 in the USGA Rules of Golf. Additionally, the CGA requires all players to adhere to the following guidelines known as the [CGA Code of Conduct](#).

Discontinuing Play

The CGA official-in-charge and the staff of the host club have the authority to discontinue play or cancel an event due to inclement weather or conditions. Competitors may discontinue play only if they consider themselves to be in danger from lightning or for some other factor, such as sudden illness, which the CGA official-in-charge considers satisfactory.

If an event is canceled, all entry fees will be refunded. No refunds are made to groups or individuals who fail to start due to inclement weather when an event is not canceled.

Entry Information and Selection Process

Each one-day tournament program has separate entry forms and entry fees which are available at the CGA office and on the CGA website, www.carolinagolf.org.

Entries are accepted online only, either on a first-come, first-served basis or using Lottery Registration. Each entry fee must be paid online with a credit card.

Entry Selection Process: There are two forms of registration to select entries: First-Come Registration (FCR) and Lottery Registration (LR). Each are defined below.

Regardless of the type of registration, entries open at 8:00 p.m. on the entry open date. Teams who are a "No Show" (DNS) or "No Card" (NC) are subject to suspension from future one-days. Tee time and pairings requests are not accepted. Entries will not be accepted before or after the open and close date.

First-Come Registration (FCR): For most events, entries are accepted on a first-come, first-served basis (FCR). In FCR, alternates are ranked in the order which entries are received and placed on the waitlist. Division selection has no bearing on entry or alternate order. Entries close when the allotment of accepted and alternate teams is filled or at 11:59 p.m. on the entry close date.

Lottery Registration (LR): For select events clearly identified on the online schedule, a lottery will be used to determine entries (LR). LR will open at 8:00 p.m. on the open date and teams will have a 24-hour window to register. If the event is over capacity after the 24-hour window, all entries will be placed into a randomized lottery. The max capacity (usually 52 teams) will receive entry to the event based on lottery order and the remaining teams will be placed on the waitlist based on lottery order. Division selection has no bearing on lottery selection.

If the event does NOT meet max capacity in the 24-hour LR window, all registered teams will receive entry into the event. The event will then revert to FCR and teams who register after the window will receive entry based on a first-come, first-served basis. In this scenario, entries will close when the allotment of accepted and alternate teams is filled or at 11:59 p.m. on the adjusted entry close date.

There is no advantage to signing up earlier or later in the 24-hour LR window. All entries, regardless of registration time in the 24-hour LR window, are equal and will be placed in the randomized lottery. Teams will be notified of their status (registered or waitlisted) within 48 hours after the event opens. For example, if the event opens on Tuesday at 8:00 p.m., LR closes at 8:00 p.m. on Wednesday. The CGA will conduct the lottery and notify players of their status by 8:00 p.m. on Thursday.

All events are treated as separate events and no preference is given to any team for back-to-back events. LR does not affect or change any withdrawal or refund procedures.

All entries are subject to approval by the CGA. By submitting an entry form, each competitor agrees to abide by all CGA and host club regulations, including dress code.

Tournament applications are not accepted until the tournament's opening date/time and are not accepted after the closing date/time. See the CGA website for open/close dates/times.

Pace of Play (Model Local Rule K-1)

Shotgun Start: The CGA One-Day Tournament Committee reserves the right to disqualify an individual player, side (four-ball team) and/or the entire group if they return their scorecard to the Official-In-Charge (OIC) more than 25 minutes after the group that starts directly in front of them.

Tee Times Start: The CGA One-Day Tournament Committee reserves the right to disqualify an individual player, side (four-ball team) and/or the entire group if they return their scorecard to the Official-In-Charge (OIC) more than 25 minutes after the group that starts directly in front of them **AND** over the posted pace of play time on the scorecard. The first group of the day will be judged based on the posted pace of play time on the scorecard plus 25 minutes to finish.

- Shotgun Start Example: A group that began their round on Hole #18 turns in their scorecard at 2:00 p.m. The group that started directly behind them on Hole #17 turns in their scorecard at 2:40 p.m. The group starting on Hole #17 is disqualified for turning in their scorecard more than 30 minutes behind the group ahead of them.
- Tee Times Start Example: The pace of play on the scorecard is 4:30 for 18 holes. A group that began their round at 8:50 a.m. off Hole #10 turns in their scorecard at 1:15 p.m. The group that started directly behind at 9:00 off Hole #10 turns in their scorecard at 1:46 p.m. The group that started at 9:00 a.m. is disqualified for being more than 30 minutes behind the group ahead of them and over the pace time of 4:30.
- This policy encourages all players to remain in position with the group ahead of them and return their scorecard as soon as possible.

- Competitors are reminded that Rule 5.6 carries a penalty for unreasonable delay of play and/or slow play. The player must play without delay and in accordance with any pace of play guidelines that the Committee establish.

Local Rules

USGA Rules of Golf govern all play. Local rules are posted at the starter's desk. The following local rules are in effect at all one-day tournament program events.

Unless otherwise noted, the following local rules are in effect at CGA One-Day Tournaments:

[One-Day Individual Tournament](#)

[One-Day Four-Ball Tournament](#)

[Senior Four-Ball One-Day Tournament](#)

[Ladies Play Day](#)

Official Starting Time

Tee Times - The clock at the tee (1st or 10th) where the player begins his/her round is the official time of starting. Starters will not page players in advance of their starting time. Players should report to the tee at least five minutes prior to their starting time.

Shotgun or Simultaneous Start - A player is responsible for being at the assigned tee promptly to begin play on time. The assigned starting time for shotgun events is when a) a horn or siren is sounded, b) if no horn or siren is used, when the group can play without interference or c) if the player is in the second group to start on an assigned hole, when that group can play without interference.

A competitor who fails to show is denoted as a "Did Not Start" (DNS). Competitors that are a "DNS" are suspended from the next four CGA one-day tournaments.

CGA Four-Ball Handicap Reduction Policy

Individuals or teams who record a Lowest Net Scores (LNS) in two or more tournaments within the 12-month period prior to the tournament will be subject to reduced playing handicaps. The reduction may be reduced for an individual if that player's ratio of LNS to the number of Four-Ball competitions is less than 1 in 5. The Lowest Net Score (LNS) is defined as being a member of a team with the lowest net team score (includes ties) in a division in a CGA four-ball tournament with net scoring. This rule is in effect for CGA One-Day Four-Ball tournaments, CGA One-Day

Senior Four-Ball tournaments, and Ladies Play Days or in a combination of these programs. Competitors who qualify for this reduction will be subject to the following playing handicap reduction for any CGA Four-Ball tournament using net scoring: 2 LNS = 10% reduction of Playing Handicap; 3 LNS = 20% reduction of Playing Handicap; 4 LNS = 30% reduction of Playing Handicap (minimum of 1 stroke); 5 LNS = 40% reduction of Playing Handicap (minimum of 1 stroke), and so forth.

Prizes

The CGA official-in-charge reserves the right to withhold any prize won by a competitor whose handicap index is considered unrealistic or who has participated in a disproportionate share of CGA prize collections.

The CGA official-in-charge may adjust a competitor's course handicap prior to play, based on the competitor's previous tournament scores or scoring history.

The CGA nor host club is not responsible for any unclaimed or unredeemed merchandise certificates after a tournament play date. It is the player's responsibility to claim or redeem a certificate or golf shop credit prior to leaving a tournament site. The CGA will not replace any lost or unclaimed merchandise certificates/gift cards after a tournament is played.

Collegiate players should check with their institution compliance department regarding NCAA regulations relating to accepting prizes or merchandise.

One-Day: Prizes are awarded for gross and net scores. The number of net prizes is determined by the number of entries. If winners are not available to accept prizes, the CGA is not responsible for those prizes after the tournament date. Ties are broken on the scorecard using the following method. Match scorecards using the total for the back nine holes (10-18), the last six holes (13-18), last three holes (16-18) and the 18th hole. If a tie still remains, the scorecards will be matched beginning with the 18th hole going backwards until the tie is broken. Gross ties use gross scores. Net ties use net scores. Gross ties are determined first.

One-Day Four-Ball: Prizes are awarded for gross and net scores in all flights. Ties are broken on the scorecard using the following method. Match scorecards using the total for the back nine holes (10-18), the last six holes (13-18), last three holes (16-18) and the 18th hole. If a tie still remains, the scorecards will be matched beginning with the 18th hole going backwards until the tie is broken. Gross ties use gross scores. Net ties use net scores. Gross ties are determined first.

Senior Four-Ball One-Day: Prizes are awarded for gross and net scores in all flights. Ties are broken on the scorecard using the following method. Match scorecards using the total for the back nine holes (10-18), the last six holes (13-18), last three holes (16-18) and the 18th hole. If a tie still remains, the scorecards will be matched beginning with the 18th hole going backwards until the tie is broken. Gross ties use gross scores. Net ties use net scores. Gross ties are determined first.

Two Day Individual: Prizes are awarded for gross and net scores in all flights. Ties are broken on the scorecard using the following method. Match scorecards using the total for the back nine holes (10-18), the last six holes (13-18), last three holes (16-18) and the 18th hole. If a tie still remains, the scorecards will be matched beginning with the 18th hole going backwards until the tie is broken. Gross ties use gross scores. Net ties use net scores. Gross ties are determined first.

Score Cards

A scorecard is deemed to be returned (no more changes allowed) when the player leaves the scoring area. No alteration to a card may be made after it has been returned to the committee.

The CGA official-in-charge is responsible for applying handicaps to gross scores.

A competitor who fails to return a signed scorecard within 20 minutes of completion of the round is deemed to have failed to return a score for the round and may be listed on the scoreboard as a "Disqualification".

Competitors that fail to return scorecard without informing the CGA tournament director are denoted as a "No Card" (NC) and are suspended from the next four CGA one-day tournaments.

One-Day and Two-Day Individual Tournaments: Scorecards provided by the CGA will contain a player's name, course handicap and tees to play. The scorecard must be signed by the player and his marker. A duplicate scorecard can be made if the original is lost.

The CGA will post adjusted gross scores back to a player's home club handicap.

One-Day Four-Ball/Senior Four-Ball One-Day and Ladies Play Days: Scorecards provided by the CGA will contain both players' names, allocation of strokes received and tees to play. The score to count must be individually identifiable. To expedite the scoring process, teams are requested to list the best ball gross and net on the scorecard where provided. Only one player from the competitor's side and the marker's side must sign the scorecard before it is returned. A duplicate scorecard can be made if the original is lost.

CGA Scoring Policy: The USGA Rules of Golf require a marker to record only the gross score of the player whose net score is to count (23.2b (1)). The CGA scoring policy requires markers to record ALL hole scores for all players for handicap purposes. This enables the CGA to post scores to each player's handicap scoring record. Please do not post these scores yourself as this will duplicate the CGA's effort. The CGA will automatically post scores for each participant. How to record scores for holes not completed: For unfinished holes, enter the score you most likely would have made (more often than not). For holes not started, enter par plus any handicap strokes you would have received on the hole. In either case, the hole score should be preceded with an X (e.g. X-6) so as not to be used in determining the low gross or low net team score for that hole. Failure to record individual hole scores may jeopardize participation in future CGA one-day tournaments.

Spectator Carts

Spectators are permitted to rent a spectator cart at any CGA one-day tournament if: 1. Club has a cart available and 2. Spectator pays the appropriate cart fee. Spectator carts must remain on the cart path at all times. Spectators are not permitted to ride in a player's cart at any time.
